If you are using a regular printer to print shipping labels

Click here to buy labels -- >

<https://a.co/d/g2hb1Wc>

## Thermal label printer suggestions

Wireless can be used with a phone,tablet or Computer

<https://a.co/d/5Y81WzA>

Regular USB can be used only with a Laptop or Computer

<https://a.co/d/0ovXxl9>

\*\*The Thermal label printer may be more of a cost up front but it will save you money because you never have to buy ink
